Major General Frank A. Heileman
Chief, Transportation
Room 1B46, Building T-7
Washington 25, D.C.

Dear General Heileman:

25X1A

In hoping that the attached letter of commendation concerning [redacted] may be placed in his personal file, I am taking the liberty of forwarding it to you.

Don has been extremely helpful to us during his tour here and particularly during the last few weeks while he made a study of our transportation organization and function within the Agency. We regret genuinely that he is leaving us and are confident that he will continue to reflect great credit upon the Army Transportation Corps in his new assignment as he has done here.

Thank you very much for your personal consideration of our transportation problems and the assistance which you have rendered in resolving them.

With kindest personal regards,

/s/

L. K. White
Assistant Deputy Director
